<sup>id</sup>A+  
**(Single A Plus; Negative Outlook)**

To **PT Japfa Comfeed Indonesia Tbk.** for the period of **December 12, 2014 until October 1, 2015**. This rating was assigned based on data and information provided by the Company and its unaudited Financial Statement as of **September 30, 2014** and audited Financial Statement as of **December 31, 2013**.

The Plus (+) sign in particular rating categories signifies that a given rating is closer to a higher rating above it.

Company ratings cannot be automatically applicable to specific debt securities, as they do not take into account the nature and provisions of the debt security, its standing in bankruptcy proceedings or liquidation, statutory preferences, or the legality and enforceability of the debt security itself. In addition, Company or Issuer Ratings do not take into account the creditworthiness of the guarantors, insurers, or other forms of credit enhancement supporting the company's credit quality.

Your cooperation in this matter is appreciated.

Sincerely,
